OLYMPUS Your Vision, Our Future

CS-30 B

- Stylish leather body jacket for safe transportation
- Suitable for E-P3
- Available in black, brown and white

Leather Body Jacket

The leather body jacket perfectly fits the design of the E-P3 and is securely fixed through a screw. It is tailor-made for the shape of the camera body, but goes with the design. For even more flexibility it is available in three different colours (brown, white and black). Furthermore you can combine the body jacket with a matching long strap (CSS-S109 LL), which is also available in three colours.
